Bios of Plenary Session Presenters

Shirley Stewart Burns, a native of Wyoming County, West Virginia, is the author of **Bringing Down the Mountains: the Impact of Mountaintop Removal on Southern West Virginia Communities**. She holds a Ph.D. in History, Appalachian focus, from West Virginia University.

Julia "Judy" Bonds is co-director for Coal River Mountain Watch. A resident of Whitesville, WV, she has worked for a decade educating people about the human and environmental effects of Mountaintop Removal. In 2003, she won the internationally renowned Goldman Environmental Prize.

Lora Smith, a native of Whitley County, Kentucky, works on coal and energy issues as a Communications Associate for Kentuckians For The Commonwealth in Whitesburg, KY. She holds a B.A. from New York University and is currently a Master's candidate in Folklore at UNC-Chapel Hill.

Martin Richards is the High Road Economic Development Organizer at KFTC. Martin has an Architecture degree from the University of Kentucky with an emphasis on green and sustainable building practices. Martin is a past president of the Community Farm Alliance and has been active for 13 plus years in sustainable agriculture, grassroots organizing and local/community economic development.

Taking The High Road:

Plenary Session & Dialogue about MTR and Sustainable Development

MARSHALL UNIVERSITY HUNTINGTON, WV MARCH 29, 2008
